

By Tube (Canning Town)

From Canning Town it is a 15 minute walk. Exit from the north end (closest to the ticket office). Go to the large roundabout and turn left leading you over the bridge alongside Barking Road. Turn left at the foot of the bridge and follow the Lea to the roundabout with the Esso Station on the right. Keep following the Lea round to the left and the path leading onto Orchard Place. Bear right and continue on until you reach Trinity Buoy Wharf at the end.

By DLR (East India)

From East India it is a 10 minute walk. When at the station, please do not walk over the footbridge at the station, instead use the stairs to the south exit (Budgens is in view). Outside of the station, walk alongside Blackwall Way towards the mini-roundabout and take a left. When at the very large roundabout, follow the path towards the right and onto the slip road leading towards Orchard Place. Bear right and continue on until you reach Trinity Buoy Wharf at the end.

Car

Follow signs to Leamouth on the A13 or from Aspen Way. At the Leamouth roundabout (Esso Petrol Station), take the Lower Lea Crossing exit. Almost immediately, go left before the bridge. At the T-junction at the end of the slip road, turn right onto Orchard Place and follow the road round to Trinity Buoy Wharf. Free parking is available on site.
